The Newcomer's Guide to Horse Racing

There are a variety of horse racing books on the market, but there are none written specifically for the newcomer to horse racing. *The Newcomer's Guide to Horse Racing* takes the complicated subject of horse racing and puts it in terms that everyone can understand and teaches you everything you need to know about the racetrack and betting.

Included is one of the best concise up-to-date glossaries of horse racing terms you will find anywhere! This book is easy to read and easy to follow and you will "feel like an expert in no time" as the cover suggests. This high-quality soft cover 35 page booklet comes in a handy pocket size (8 1/2" x 4") making it easy to carry for quick reference.

Paul Lambrakis has been instructing newcomers at Santa Anita and Hollywood Park for the past fifteen years as a group events handicapper and beginner's seminar host. Paul is also the author of the popular *10-Cent Superfecta Complete Guide to Wagering and Winning*.
